

Notification**Date:** September 8, 2016**To:** CEL Embedded Systems Distributors**From:** CEL**Subject:** ZBN20160908A Tray Configuration Notification

This notification is to inform CEL's distributors that the following modules will cease to be offered in tray (and removed from the price list) once CEL's inventory of parts in trays has been depleted. Acceptance of orders for tray part numbers will be determined at time of order receipt based on available inventory. Parts in tape & reel (designated by -R suffix) will remain active.

It is expected that Distributors will be responsible for breaking reels for customer small quantity orders. CEL's policy remains as one broken package per part number is permitted for return at time of stock rotation.
