*Dear Valued Skyworks Customer:*

*Please be advised that Skyworks Solutions Inc. is introducing the following product change(s):*

#### **Description and Scope of Change**

Updated SKY66114-11 Datasheet to reflect corrected pin 1 orientation (**tape and reel**), to reflect use of Lot Code instead of Date Code (marking), and to reflect correction of pin designation for VCC1 (in figure 3 schematic; corrected typo from pin "18" to pin "16"). This replaces the original PCN issued on 14-Sep-2018 which only reflected the pin 1 orientation in **tape and reel**.

#### **Products Affected**

SKY66114-11

#### **Method for Identifying Changed Product**

Full product change traceability is maintained by: date code

#### **Reason for Change**

Correct errors on the SKY66114-11 Datasheet

#### **Anticipated Impact on Form, Fit Function, Reliability, Quality or Safety**

No customer impact is anticipated with this change; there is no change to form, fit, function, reliability, quality or safety. This change is only to reflect documentation corrections.

#### **Qualification Plan Summary**

Qualification not required; no change made to part

#### **Launch Plan**

The corrections were already applied to the released datasheet, but the original PCN did not reflect all three changes. SWKS apologizes for any confusion this may have caused our customers.

*Please contact your Skyworks customer service representative with any questions or comments regarding this change. If you are unsure whom to contact, please email Skyworks Change Management at [Skyworks.CCB@Skyworksinc.com](mailto:Skyworks.CCB@Skyworksinc.com).*
