

Product Change Notification

TE Connectivity

Product Change Notification: P-16-013121

PCN Date: 07-JUN-16

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
High Density Interconnector

Description of Changes
Add LCP E130i as alternative housing resin material.

Reason for Changes:
Product improvement. The supplier discontinued current housing resin material of HDI connector. Resin LCP E130i will be used as the alternative material which has better performance in characters.
