

Date: 20th July, 2021

Description: EOL for MPB125 series parts / affected suffixes: -1012G, -2005G, -2012G, 2024G, and -2048G

Dear Valued Customer,

As part of our product lifecycle management process, Bel Fuse provides notification when a product has reached End-Of-Life (EOL) status. EOL decisions are based on our review of material availability, historical unit shipment volume and product revenue performance. Products designated for End-Of-Life will be available for a last time buy purchase prior to being made inactive, depending on component availability.

Last Time Buy (LTB) orders accepted until 30th September, 2021

Last Time Ship (LTS) until 31st December, 2021

After the indicated dates, the affected products will be considered inactive. Acceptance of last time buy orders is subject to product and material availability and at the discretion of Bel Fuse. Every effort will be made to fulfill these orders. Purchase orders for these products will be considered Non-Cancellable, Non-Returnable (NCNR). If you have any questions concerning this End-of-Life notification, please contact your Bel Fuse Customer Support Representative.

The parts impacted by this notification are listed in the table below. There are no replacements for these parts.

Part Number	Recommended Replacement
MPB125-1012G	No immediate replacement
MPB125-2005G	No immediate replacement
MPB125-2012G	No immediate replacement
MPB125-2024G	No immediate replacement
MPB125-2048G	No immediate replacement

We would also like to take this opportunity to thank you for your business in the past and to assure you that everything we do is aimed at becoming your power supply partner of choice in the future.

Yours faithfully

Audrey Boulot
